LOT 3 - Miracle Pro Wheat Grass Juicer Model BL-33

Description

Miracle Pro Wheat Grass Juicer Model BL-33

This NSF Certified commercial-grade electric juicer is specifically designed for wheatgrass and other leafy greens. Plus, it can juice carrots, apples, and most other fruits and vegetables with its dual-screen system. It's great for the discriminating juice enthusiast as well as for use in juice bars.

Its unique auger design ensures maximum juice yield with the driest pulp waste. This juicer features an outstanding forward and reverse action. The grass that may become tangled and clogged is instantly untwisted and pulled into the juicer without the user's reach into the mechanism. Its body and juicing components are made of stainless steel for strength and purity that will hold up wonderfully in any busy environment.
