Description

NEW in BOX 28" Powder Coated Hair Pin Table Legs – Perfect for DIY Projects or Resale!

Set of 4 Legs, NEW IN BOX

These **28" powder-coated hairpin legs** are designed to add a modern, industrial flair to your custom furniture projects. **No tabletop included**—these are just the **legs** for you to pair with your choice of wood or other materials to create your own custom table, desk, or other furniture pieces.

Great for DIY Projects and Resale:

- **Durable & Stylish:** Made from strong, high-quality metal with a sleek, **powder-coated black finish** for resistance to rust and scratches, perfect for any modern, industrial design.
- **Perfect for Custom Furniture:** These legs are ideal for building tables, desks, or even bench seating. With a simple design, they easily pair with any wood or material to create a unique, personalized piece.
- **Easy to Install:** Each set includes all the mounting hardware needed, so you can get started on your projects right away.

Why Buy These Legs?

- These stylish hairpin legs are perfect for **resellers** looking to add to their inventory of furniture components or **DIY enthusiasts** eager to create unique, one-of-a-kind pieces for their own homes.

- They are a great alternative to more expensive pre-made tables, allowing you to customize and create exactly what you need.
- **Typically priced between \$69.99–\$119.99**, these high-quality legs were originally retailed at **\$99.99 per set**, offering great value for premium furniture components.

Don't miss this chance to stock up on **high-quality hairpin table legs** for your next DIY project or resale opportunity!
