Description

NEW in Box Set of Metal 29" x 9" Sofa Table Legs – Perfect for DIY Projects or Resale!

Set of 2 Legs, NEW IN BOX

These **29" x 9" metal sofa table legs** are a great way to add a sleek, modern touch to any custom table, desk, or furniture piece. **No tabletop included**—this is a set of **metal legs** for DIYers to create unique furniture that suits their style.

Great for DIY Projects and Resale:

- **Durable & Stylish:** These legs are made of high-quality metal, providing strength and stability. The **powder-coated black finish** ensures resistance to rust and scratches, making them a perfect addition to any industrial-style decor.
- **Perfect for Custom Furniture:** Ideal for creating a unique sofa table, coffee table, console, or desk. With a clean and simple design, they are versatile enough to match any type of wood or materials for your project.

- **Easy to Install:** Each set comes with all the mounting hardware you need, ensuring a simple and fast assembly.

Why Buy These Legs?

- These legs are perfect for **resellers** or **DIY enthusiasts** looking to create custom, high-quality furniture at a fraction of the cost of pre-built tables.
- Compared to other high-end metal legs, typically priced around **\$89.99–\$139.99**, these legs were originally retailed at **\$109.99 per set**, offering exceptional value for durable, stylish furniture components.

Don't miss out on this opportunity to create custom tables or stock up for resale at a great price!
