Why pay \$4.92 per square foot when you can bid for much less? Upgrade your commercial or residential space with Shaw Profusion "Tons Charcoal" Eco Solution Q Nylon Carpet Tile, designed for high-traffic areas and built to last with superior durability and eco-friendly materials.

Product Features:

- **Durable Construction:** Made from Eco Solution Q Nylon, these multi-level pattern loop carpet tiles are engineered for high-traffic commercial environments.
- **24" x 24" Tile Size:** Each box contains 20 tiles, perfect for creating modern, professional spaces with clean lines.
- **Glue-Down Installation:** Designed for a glue-down installation method, providing a secure and long-lasting fit.
- **EcoWorx® Tile Backing:** Eco-friendly and durable backing that provides dimensional stability and long-term durability.
- **Solution Dyed for Color Longevity:** 100% solution-dyed carpet fibers ensure that colors stay vibrant, even in high-use areas.

Why Choose Shaw Profusion "Tons Charcoal" Carpet Tile Flooring?

- **Sustainability:** Made with EcoWorx® backing, these tiles are not only durable but also eco-friendly, contributing to sustainability in commercial flooring.
- **Low Maintenance, High Durability:** Built to withstand heavy traffic, the multi-level loop construction offers superior durability and performance in busy areas like offices, retail spaces, and educational institutions.
- **Design Flexibility:** The rich charcoal tone and multi-level pattern loop allow for design flexibility, perfect for creating custom layouts to match any space's aesthetic.
- **Made in the USA:** Proudly manufactured in the United States, offering high-quality construction you can trust.
