You are bidding on 10 NEW IN BOX sets of Black Coffee Table Legs

Each box contains a black coffee table leg kit

NEW in BOX Metal Coffee Table Leg Kit 17" x 27", Powder Coated Black – Perfect for DIY Projects or Resale!

Set of 2 Legs, NEW IN BOX

These **metal coffee table legs** come in a sleek, modern powder-coated black finish, perfect for adding an industrial touch to any piece of furniture. These are just the legs —no table top included—allowing for maximum customization.

Each set includes all necessary mounting hardware, so you can easily pair them with your choice of wood or other materials to create a unique coffee table, side table, or even a custom console. The strong, durable steel construction ensures stability and long-lasting support for your furniture projects.

Great for DIY Projects and Resale:

- Perfect for creating custom furniture or transforming existing tables
- Ideal for use in living rooms, offices, workshops, and more
- The sleek, modern design adds a touch of industrial style to any space
- Durable and powder-coated finish provides resistance to rust and scratches

Why Buy These Legs?

- These kits are perfect for resellers or DIY enthusiasts looking to create high-quality, one-of-a-kind pieces.
- They pair beautifully with reclaimed wood or new wood to create custom designs that fit your style and needs.
- Compared to lower-quality alternatives typically priced between $89.99–$129.99, these legs had a retail price of **$109.99–$119.99**, offering exceptional value for the quality.

If you're a reseller or DIYer looking to stock up on high-quality furniture components, these metal coffee table legs are a great choice. Don't miss out on this opportunity to create stylish, modern furniture pieces while maximizing your profit margins!
