Description

HOLY GRAIL ALERT: Richie Kotzen's PERSONAL Cornford RK100 Signature Amp Stack – SERIAL #1

Double Stack \$x 12 Cabinets with Celestion 30 watt speakers – One-of-a-Kind

This is **Serial #001** of the legendary **Cornford RK100** – the **very first unit ever made** of Richie Kotzen’s now-iconic signature amp. Handmade in the UK and long out of production, the RK100 is known for delivering **mind-blowing Plexi-style tone** with fierce articulation and massive stage presence.

Included in this once-in-a-lifetime auction lot:

- ✓ **Cornford RK100 Head – Serial #RK001** (THE FIRST ONE EVER BUILT)
- ✓ **Cornford 4x12 Cabinet – Serial #RKO24**
- ✓ **Cornford 4x12 Cabinet – Serial #Richie 02**
- ✓ **Personally owned and used by Richie Kotzen** on tour and in studio

This stack was Richie’s personal rig, toured and recorded , and delivered some of the fiercest tones in modern rock history. From searing solos to soulful phrasing, the RK100 was **designed for Richie’s signature sound**, and this stack is the one that started it all.

RARE is an understatement – RK100 amps are hard enough to find... but **Serial #001**? That’s **museum-level gear**.

For the serious player, collector, or Richie Kotzen die-hard – this is your crown jewel.

Welcome to tone heaven.
