

**Sale Name:** † RICHIE KOTZEN WORLD PREMIERE LEGACY AUCTION †  
**LOT 33 - DNA Analogic "Smoky Fuzz" – Hand-Signed by Richie Kotzen**

### Description

#### **DNA Analogic "Smoky Fuzz" – Hand-Signed by Richie Kotzen**

Straight from Richie Kotzen's personal stash, this **DNA Analogic Smoky Fuzz** delivers thick, vintage fuzz tones with that warm, smoky saturation you'd expect from a player with his tone pedigree.

This exact unit was **owned and signed by Richie**, and it's now being released as part of this exclusive artist-curated auction.

Features include:

- Bold analog fuzz with smooth saturation and sustain
- True bypass wiring
- Simple 3-knob layout: VOL, SENSE, and FUZZ
- Battery or 9V adapter operation (standard Boss-style)
- Durable metal housing with artist wear from use

This **isn't just any Smoky Fuzz**—it's a signed piece from Richie Kotzen's personal gear collection. Includes clear signature right across the faceplate.

**Quantity:** 1
