Description

D3 Audio Designs Crème Crunch – Hand-Signed by Richie Kotzen

From Richie Kotzen's personal pedal stash to your collection, this **Crème Crunch** by D3 Audio Designs is a **creamy, harmonically rich overdrive** that lives up to its name.

This specific unit is **autographed by Richie** and was part of his private gear stash. Whether you're chasing that warmth or just want a boutique Japanese overdrive with real soul, this one checks all the boxes.

Features include:

- **Gloss/Warm voicing switch** (Blue/Red LED indicators)
- **Touch** control to dial in responsiveness
- 2-band EQ with **Bass** and **Treble** knobs
- **Side-mounted presence control** to boost edge and clarity
- Smooth, tube-like breakup with deep mids and creamy sustain

Bluesy, vocal, and responsive—this pedal brings a **sticky bite and tube warmth**.
