LOT 56 - DNA Analogic Purple Phase – Hand-Signed by Richie Kotzen – From His Personal Collection

Description

DNA Analogic Purple Phase – Hand-Signed by Richie Kotzen – From His Personal Collection

This **DNA Analogic Purple Phase** comes **directly from Richie Kotzen's personal effects stash** and has been **hand-signed by Richie** specifically for this auction.

Built by boutique Japanese brand DNA Analogic, the Purple Phase delivers **lush, swirling analog phase tones** that can go from subtle shimmer to deep, psychedelic swirl. It's musical, responsive, and smooth — just the way Richie likes it.

Pedal Highlights:

- Analog phaser with a warm, musical sweep
 - Simple, effective layout for real-time stage or studio use
 - Built by DNA Analogic (a division of Kanda Shokai, Japan)
 - **Autographed by Richie Kotzen** on the face
-

Signed. Personal. Loaded with analog character.
Another piece of **Richie Kotzen's** history you can history plug in and make your own.
