Description

2023 Winery Dogs Tour-Worn Shirt – Direct from Richie Kotzen’s Stage Wardrobe

This shirt isn’t just stage-ready — it’s stage-worn. Personally worn by **Richie Kotzen** throughout the **2023 Winery Dogs world tour**, this deep black button-up shirt was part of his go-to performance wardrobe, seen under the lights on stages across the globe.

Crafted from a subtly patterned **black jacquard polyester fabric**, it features an elegant floral texture that **catches light and moves with the music**. The tone-on-tone design gives it a sleek, almost liquid-like finish — the kind of visual detail that doesn’t scream, but commands attention.

Shirt Features:

- **Stage-worn by Richie Kotzen** during the Winery Dogs 2023 world tour
- Deep **jet black** with **woven floral jacquard pattern**
- **Long sleeve, button front, collared** with fitted cuffs
- **Lightweight polyester blend** for stage performance comfort
- **Tour-used and direct from Richie’s personal archive**

Whether you're a die-hard **Winery Dogs / Richie Kotzen fan**, a collector of **stage-worn rock memorabilia**, or just someone who understands that **real gear has soul**, this shirt delivers. It’s the kind of piece that carries **sweat, swagger, and sound** — not just fabric.

Own a slice of 2023 tour history, straight from Richie’s stage wardrobe.
