LOT 84 - Richie Kotzen's Personally Owned Zoom G2R Signature Effects Pedal – Used in His Cornford RK100 Rig

Description

Richie Kotzen's Personally Owned Zoom G2R Signature Series Multi-Effects Pedal – Used in His Cornford RK100 Rig

This is **Richie Kotzen's actual Zoom G2R Signature Series Multi-Effects Pedal**, used as part of his **personal live and studio rig**, specifically in the **effects loop of his legendary Cornford RK-100 amp setup**.

The **Zoom G2R** was designed in collaboration with Richie himself and features a variety of effects and tones tailored to his sound — including **custom patches and voicings based on his iconic playing style**.

What Makes This Special:

- **Used by Richie Kotzen** in his own live/studio signal chain

- Zoom's **Richie Kotzen Signature Edition** (G2R)
 - Includes Richie's **custom tone patches**
 - A rare chance to own a **signature model personally used by the artist it was built for**
-

Loaded with modulation, delay, drive, amp modeling, and more — this unit was built to handle **everything from vintage overdrive to soaring lead tones**, and Richie made it part of his setup for good reason.

Real gear. Real signature. Real Kotzen.
