Description

Richie Kotzen's Road-Tested DiMarzio Guitar Strap – Original Stage Tape Still Intact

Signed, Scarred, and Still Wearing the Tape Richie Wrapped Himself

This is the real deal: a **black DiMarzio nylon clip-lock guitar strap** that's **been on the battlefield**. Personally owned and **used extensively by Richie Kotzen**, this strap isn't just signed — it's still got **Richie's original stage tape** on the hardware from tour use. No gimmicks, no recreations — this is **exactly how it came off his guitar**.

Item Details:

- ✓ **Black DiMarzio Clip-Lock Nylon Strap** – Made in USA, classic model
- ✓ **Personally Used by Richie Kotzen** – Heavy stage wear and real-world patina
- ✓ **Hand-Signed in Silver** – Bold autograph across the front
- ✓ **Original DiMarzio Label Intact** – Authentic vintage strap
- ✓ **Richie's Own Tape Still Attached** – See photos — you can't fake this
- ✓ **Fully Functional or Ready to Frame** – Killer stage piece

✂ This is one of the hardest-core pieces in the strap drop — not just worn, but **modified by Richie himself** with tape over the buckle and clip area. That means it was used in high-pressure live settings, likely locked onto one of his primary axes. It's got energy. It's got grime. And it's **got Kotzen DNA baked into every fiber**.
