Rare full-page magazine ad featuring Richie Kotzen promoting the Starfield Cabriolet American Standard guitar. This specific ad highlights Richie in his early shredder days—and here's the kicker: **the exact guitar he's holding is the same Starfield currently offered in Lot 40 of this auction.**

Hand-signed by Richie in bold blue ink, making it a one-of-a-kind collector's piece for fans and tone chasers alike.

This piece captures a defining era in Richie's early career with Ibanez/Starfield and is a perfect visual companion to the legendary instrument itself.
