LOT 112 - Richie Kotzen Personal Rosary Lot – Toured, Worn, and Collected Over Decades

Description

Richie Kotzen Personal Rosary Lot – Toured, Worn, and Collected Over Decades

This lot includes a group of personal rosaries that Richie Kotzen kept with him throughout various points in his life — some worn on tour, others carried in guitar cases, suitcases, or studio bags. These weren't store-bought props — they were personal to Richie and traveled with him across the world.

Some were acquired during international tours (including Italy), others gifted or found along the way. They show honest wear from years of use — and each holds its own quiet piece of Richie's journey as a spiritual, soulful, and world-traveling artist.

† Lot Includes:

- Multiple personal rosaries owned by Richie Kotzen
- Various styles: black beads, wood bead, metal/crystal combos
- Some acquired overseas, including tour stops in Italy
- Signs of wear from real-life use — not display pieces

- Used in studio sessions, live shows, travel, and more
- Direct from Richie's personal archives

A unique, spiritual, and deeply personal glimpse into the world of an artist who's lived life fully — and always on his own terms.
