### Description

#### **Richie Kotzen's Personally Owned & Toured-With Tech 21 Fly Rig RK5 Signature Model**

This isn't just another pedal off the shelf — this is one of **Richie Kotzen's actual Fly Rig RK5** units that **went on tour with him**, helped shape his unmistakable tone night after night, and now comes straight from his personal gear vault to your hands.

The tin case is personally signed by Richie for this auction

---

#### **What It Is:**

The **RK5 Signature Fly Rig** by Tech 21 is Richie's all-in-one pedalboard weapon — compact, killer, and road-proven. Designed to capture his iconic tone in a travel-ready format, this exact unit was **used on stage and in sessions by Richie himself**.

#### **⚙️ Features:**

- SansAmp® tube amp emulator
- Richie's Signature OMG overdrive circuit

- **Boost with pre/post switch**
- **Delay with tap tempo & drift for tape-style randomness**
- **Tuner, headphone out, XLR output — all in one unit**
- Ultra-compact, rugged metal housing

If you're a Kotzen fan, tone chaser, or serious collector — this piece hits hard. You're not just buying a pedal. **You're buying Richie's personal tone machine** with the scars and story to match.

One shot. One pedal. Straight from the source. Let it rip.
