

**Sale Name:** † RICHIE KOTZEN WORLD PREMIERE LEGACY AUCTION †

**LOT 118 - Tech 21 RK5 Richie Kotzen Signature Fly Rig – Personally Owned & Used by Richie**

### Description

**Tech 21 RK5 Richie Kotzen Signature Fly Rig – Personally Owned & Used by Richie  
Includes Original Tin Case – Autographed by Richie for This Auction**

This is another of **Richie Kotzen's personal Fly Rig RK5** units—the compact powerhouse he **used on stage and in the studio**, now being released from his private stash. Designed in collaboration with Richie and Tech 21, this pedal packs amp-like tone, delay, reverb, boost, and more into a travel-sized rig he took around the world.

**Case Bonus:** The original RK5 **tin presentation case** is **hand-signed by Richie Kotzen** exclusively for this auction.

### Specs & Features:

- Richie Kotzen Signature Edition RK5 V1 Fly Rig
  - Direct from Richie's touring rig
  - Includes **autographed original metal case**
  - Compact, all-in-one tone solution with SansAmp, Boost, Delay, and Reverb
  - Shows **battle scars from the road** (see photos) but functions as it should
-

This is not just a collectible — it's a **player's pedal with real history**, straight from the hands of Richie Kotzen. And the **signed case** makes this one even more badass.
