LOT 121 - Richie Kotzen Signed Guitar Tech Setlist – Winery Dogs Final Tour (Stage-Used)

Description

Richie Kotzen Signed Guitar Tech Setlist – Winery Dogs Final Tour (Stage-Used)

Pulled directly from the gear crew's side of the stage on the final Winery Dogs tour—this is the guitar tech's working setlist, complete with real-time cue notes like "MAIN TELE," "RED STRAT," "PEDALS #10," and more.

Bright green tape notations mark guitar changes, effects cues, and even pedalboard switching for Richie's performance. Used live on tour and signed by Richie Kotzen himself in green Sharpie for this auction.

A killer behind-the-scenes artifact from the road— it's a battle-worn, real-deal stage list used by the crew that kept the show moving.

From the band. From the tour. From the stage.
