Description

Richie Kotzen's Personal Stage-Used Crybaby Wah & RotoVibe – Dual Pedal Rig from His Live Setup

Straight from Richie Kotzen's touring arsenal—this custom-mounted Crybaby Wah and Dunlop RotoVibe were part of his **personal stage rig**, used during live shows with **The Winery Dogs**, **Mr. Big**, and throughout his solo career.

⚙ The setup includes:

- **Dunlop Crybaby Wah** showing visible road wear from years of real-world use.
- **Dunlop RotoVibe (Uni-Vibe style)** with signature red finish with chrome tread.

Both pedals are mounted to Richie's original custom **dual-pedal board**, made of layered wood and wrapped in gaffer-taped fabric—exactly how it was used on tour. This is not a replica or spare—**this is Richie's actual gig-rig**.

A rare chance to own a piece of working stage gear from a guitarist known for tone, feel, and soul.
