#### **Signed 14" Paiste 400 Hi-Hat Cymbal Pair – Personally Used by Richie Kotzen**

This matched pair of Paiste 400 hi-hats (14" Top and Bottom) was personally owned and used by Richie Kotzen—yes, Richie is also a drummer and has laid down drums on several of his own recordings, especially early demos and solo tracks. These cymbals show clear signs of studio and practice use and are each boldly signed by Richie himself.
