

Sale Name: Libbey Glassware Factory Remaining Contents

LOT 11 - Original Libbey Factory Industrial Steel Cart

Description

Original Libbey Factory Industrial Steel Cart

Straight from the legendary Libbey Glass factory in Shreveport, Louisiana — this beast of a cart was built for daily grind. Heavy-duty American steel construction with dual perforated work decks, it was once used to transport hot product and parts across the factory floor.

53" X 30" X 47"

Features:

- True industrial-grade build — all welded frame
- Double-tier deck with punched surfaces
- Authentic factory patina from decades of real use

Perfect as a repurposed shop cart, welding table base, industrial bar cart, or raw display piece. This isn't a reproduction — it's a survivor of American manufacturing history.

Quantity: 1
