**LOT 25 - Tennant 355 PROPANE Industrial Ride-On Sweeper**

### Description

**Tennant 355 PROPANE Industrial Ride-On Sweeper**

Heavy-duty rider-operated floor sweeper designed for large-scale industrial cleaning. Features direct operator control panel, dual front lights, and durable poly body panels. Rear-wheel drive with steering up front for tight turning radius. Integrated vacuum and sweeping system with front-mounted side brush (only one side brush currently installed and available —see photos).

Unit powers on, runs, and operates only has one sweeper brush as pictured

**Quantity: 1**
