LOT 373 - Steel Welding/Shop Cart – 46" x 22" x 39"

Description

Steel Welding/Shop Cart – 46" x 22" x 39"

Heavy-duty custom-fabricated steel shop cart, designed for rugged industrial use. Measures approx. 46" long x 22" wide x 39" tall. Features include:

- Built-in lockable storage compartment
- Deep central bin with open-top access for tools or scrap
- Integrated torch holder and cable management rack
- Industrial casters (two fixed, two swivel) for easy rolling
- Heavy-gauge steel construction with welded frame
- Surface wear from years of use—solid and functional

Perfect for welding setups, shop fabrication, scrap collection, or mobile tool storage.

Quantity: 1
