

**Sale Name:** Libbey Glassware Factory Remaining Contents

**LOT 157A - Wexxar Case Erector / Case Former – Training Facility Unit**

**Description**

## **Wexxar Case Erector / Case Former – Training Facility Unit**

Industrial-grade Wexxar case forming unit removed from the on-site training area of a major manufacturing facility.

Previously used for staff instruction and testing alongside larger-scale production lines.

- Full safety enclosure with access doors and control interlocks
- Integrated powered conveyor belts and chain-driven rollers
- Pneumatic and electric actuation
- Box folding arms, clamp system, and adjustable formers
- Manual lever control for open/close operation

⚠ Unit is untested. Sold as shown.

Located at the former Libbey Glass Factory in Shreveport, LA

**Quantity: 1**
